UI Designer with experience in Logistics, Operations and Curation

Music Curation & General Operations Manager OHM, 2016 - Present

- Role:
- Curating a monthly electronic music program
 - Pre-production organisation, contracting and invoicing
 - Long term development of client’s event concepts

- Achievements:
- Structured a music program that enabled expansion (4-8 events to 16-20 monthly events)
 - Created a resident program of 30 promoters that allowed for venue growth
 - Implemented a reward system for successful promoters to increase frequency of their events per year from two to six

Stage Management & Head of Logistics Atonal Festival, 2018 - Present

- Role:
- Execute a logistics program for a 5 day festival, 150+ artists with a two month deadline
 - Coordinate a two-day schedule for pre-production staff management & stage construction.
 - During the festival, maintain a punctual soundcheck & live performance schedule with artists

- Skills:
- Clear communication channels , problem-solving, brainstorming & collaborating.
Able to deal with unforeseen, high pressure situations including failed equipment, missed flights and schedule changes.

Head of Logistics Outer Agency, 2018 - Present

- Role:
- Managing a roster of 30 artists touring Europe, on average 7-10 shows per week
 - Organising travel, accommodation for all shows
 - Overseeing contracts & invoices

- Skills:
- Multicultural client management (EU & Global partnerships)
 - Adapting quickly to interdisciplinary methods when working with different departments
